Subject: Invoice

Hi Dave,

Regarding account of : [REDACTED]

Just wanted to check with you regarding an invoice I just received for \$75.00
I paid this via your note on the internet. Just wanted to make sure you got it.

By the way your operation is fabulous!

Vonnie is great and both Brian and Chad are hard working and very professional.

Also, I really appreciate being able to call and talk to someone easily and getting such prompt service at the house.

I will recommend your company to anybody who needs it.

Thanks much
