Hi Dave,

You are welcome, I wanted to let you know how I felt about the job your guys did for us.

I don't have a problem with you adding it to your website, but if you could omit my last name and

phone number I'd appreciate it.

Thanks,

Gary [REDACTED]

Fantastic! Thank you so much for the feedback....I will put it on our internal bragging board for the guys. They REALLY get a boost from this type of feedback. I am so fortunate to have this team in place.

Would you mind, if I put a copy of this message on our website? I can block out your contact info....and name (if you like).

Let us know if you have any trouble with the bats. They are very skilled at finding openings on homes...

Sincerely,

David A. Kugler, President
