Dear Dave,

Thank you for contributing to Make-A-Wish® Michigan. Your spirit of giving ensures that children with life-threatening medical conditions will be given the joy and happiness that comes with receiving their one true wish. Your gift of \$1,200.00 will help to further the important work of our organization and help grant wishes.

Make-A-Wish Michigan has granted more than 7,500 wishes to children with life-threatening medical conditions since 1984. With your support, we look forward to granting the wishes of hundreds of additional children in the year ahead.

Each wish is a unique reflection of a child's imagination – whether to shop in Paris, to go on an Alaskan Cruise or to meet the Detroit Red Wings– we ensure that their heartfelt dreams become realities. These experiences provide a much needed respite for our courageous children and their families.

We remain committed to our goal to reach every eligible child in Michigan with a joyful wish experience. You are an important part of this goal, and we are so grateful for your generous support of our mission.

Thank you for contributing to Make-A-Wish Michigan and for helping us grant wishes to Michigan children and their families.

With appreciation,
