Dear Friends,

On behalf of all those we serve, thank you for your donation to New Day Foundation for Families. Your generosity makes it possible for patients and families to get to the other side of cancer by overcoming financial barriers to treatment and healing. Your continued support has also helped us create new programs to proactively educate and prepare families for the financial impact of cancer.

Cancer Related Financial Toxicity (CRFT) reaches beyond the high cost of cancer, directly impacting the life expectancy of patients. Your commitment to New Day leads to improved medical compliance, lower stress, and ultimately better treatment outcomes by bridging the financial gap for those who have lost income as a result of their diagnosis.

Your donation of \$1000.00 on 8/5/2018 in support of the Kathy LaFleur Drive for Hope is greatly appreciated. Please keep this letter as your receipt for tax purposes.

Your donations are a financial lifeline for families who would otherwise be forced to choose between medical treatment and providing basic necessities. Thank you for giving families a fighting chance against cancer!

We invite you and your team members to consider becoming a New Day Bridge Builder. By giving monthly, you will create sustainability for our mission, giving real hope to families fighting cancer! For more information, please contact Lisa Garr at lisa@newdayff.org, or by contacting our offices at (248) 648-1105.
