

Critter Catchers, Inc. Earns Esteemed 2015 Angie's List Super Service Award

Award reflects company's consistently high level of customer service

February 5, 2016

Michigan Critter Catchers™ has earned the service industry's coveted Angie's List Super Service Award, reflecting an exemplary year of service provided to members of the local services marketplace and consumer review site in 2015.

"2015 was a very special year for our business because we marked 10 years as an independent specialty wildlife firm, and were able to receive this award. This is the 5th year that we have received the award from Angie's List and it demonstrates a level of consistency in our people and processes," said David Kugler, President Critter Catchers, Inc. "We are so grateful to all our customers that have trusted our team, and have felt compelled to share your experience with our team online. Without your support and taking the time to comment, this would not have been possible. Thank you!"

"Only about 5 percent of the Animal Removal companies Michigan have performed so consistently well enough to earn our Super Service Award," said Angie's List Founder Angie Hicks. "It's a really high standard."

Angie's List Super Service Award 2015 winners have met strict eligibility requirements, which include an "A" rating in overall grade, recent grade, and review period grade; the company must be in good standing with Angie's List, pass a background check and abide by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality.

###

Angie's List helps facilitate happy transactions between more than three million consumers nationwide and its collection of highly rated service providers in more than 720 categories of service, ranging from home improvement to health care. Built on a foundation of more than 10 million verified reviews of local service, Angie's List connects consumers directly to its online marketplace of services from member-reviewed providers, and offers unique tools and support designed to improve the local service experience for both consumers and service professionals.
