Michigan Critter Catchers Earns Esteemed 2012 Angie's List Super Service Award

Award reflects company's consistently high level of customer service

Michigan Critter Catchers has earned the service industry-coveted 2012 Angie's List Super Service Award, an honor awarded annually to approximately 5 percent of all the companies rated on Angie's List, the nation's leading provider of consumer reviews.

"Our team is honored to receive the award from Angie's List. This is the second year in a row that we have received the accolades from Angie's List. Our business overlaps into two categories – Animal Removal and Pest Control. We received the award for both categories in 2012. In the animal removal category, we specialize in performing humane bat removal. While in the pest control category, we focus on mice control," said David Kugler, President, Critter Catchers, Inc. "We are fortunate to have a fantastic team in place. Everyone is very motivated, resulting in an exceptional experience for our customers. This award means a lot to our team, and we appreciate that our customers took the time to provide such positive feedback through Angie's List."

"It's a select group of companies rated on Angie's List that can claim the exemplary customer service record of being a Super Service Award winner," said Angie's List Founder Angie Hicks. "Our standards for the Super Service Award are quite high. The fact that Michigan Critter Catchers earned this recognition speaks volumes about its dedication providing great service to its customers."

Angie's List Super Service Award 2012 winners have met strict eligibility requirements, including earning a minimum number of reports, an excellent rating from their customers and abiding by Angie's List operational guidelines.

Service company ratings are updated daily on Angie's List. Companies are graded on an A through F scale in areas ranging from price to professionalism to punctuality. Members can find the 2012 Super Service Award logo next to company names in search results on AngiesList.com.
