FACE TO FACE WITH LIVE BATS AT THE FLINT CHILDREN'S MUSEUM

FLINT, MI— Meet live bats during our **Bats: Face to Face** program on Wednesday April, 7 from 10:30 a.m. to 11:30 a.m. Learn the truth about bats as myths are dispelled. The education specialist can answer questions about bats and children can learn about the different types of bats that are found around the world.

This program was made possible by a grant offered by Critter Catchers, Inc. Michigan based Critter Catchers was founded in 2005 by David Kugler, an Oakland University graduate holding a Bachelors of Science in Biology, and a Masters Degree in Environmental Engineering from Wayne State University. The company provides animal removal services in SE Michigan and specializes in humane bat removal. For more information call 248-432-2712 or visit www.crittercatchersinc.com.

Museum admission is \$4/person for ages 1 and up. The museum is located on the campus of Kettering University at 1602 W. University Avenue in Flint. Hours are Tuesday-Friday 9 a.m. to 5 p.m. and Saturday 10 a.m. to 5 p.m. For more information, call 810-767-5437 or visit www.flintchildrensmuseum.org.
